## MISSION

---

Our roadmap begins here, declaring our purpose as a company and our standards, which we are committed to and will weigh our actions and decisions.

We will affect, positively and remarkably, in the construction industry, to new levels of excellence, efficiency and safety.

We will raise the level of well-being and quality of life through the implementation and design projects with honesty and strict moral obligation

## VISSION

---

Our vision is our framework for the Roadmap, it guides every single aspect of our business, it describes what we need to do in order to continue achieving sustainable, quality growth.

- **People:**  
Be a great place to work where people are inspired to be the best they can.
- **Portfolio:**  
Bring to the world a portfolio of quality beverage brands that anticipate and satisfy people's desires and needs.
- **Partners:**  
Nurture a winning network of customers and suppliers, together we create mutual, enduring value.
- **Planet:**  
Be a responsible citizen that makes a difference by helping build and support sustainable communities.
- **Profit:**  
Maximize long-term return to shareholders while being mindful of our overall responsibilities.
- **Productivity:**  
Be a highly effective, lean and fast-moving organization.

# INTRODUCTION

## **Eid H. Rashid Contracting Company Ltd. (EGT)**

is a multi-faceted contracting company in the Eastern Province of Saudi Arabia formed in the year 2001 to provide variety of contracted services to various affiliates of SABIC Group and other renowned organizations in and around Jubail Industrial City.

Through foresight and proactive principles, the EGT management over the years, has diversified and expanded its operating base geared towards the growing needs of our dynamic clientele.

Thanks to the unstinted support from our valued customers and the steady economic growth in the Kingdom, EGT has today grown into a multi-disciplinary organization with diverse interests and capabilities and our range of services now include:

Civil, Mechanical & Construction Projects  
Process Plants-Construction of Multi- storied Shopping Et Hosing Complex  
Erection of Industrial Buildings - Plant Maintenance  
Process Plants (Mechanical Et Electrical)  
Instrument and Process System Maintenance  
Electro - Mechanical equipments supply  
Supplementary Manpower Services

We are registered vendor to SABIC, ARAMCO, Marafiq and SECO to render various services to them in the above fields.

More than two decades in the industry, AHB has proven track record and capability to carry out our activities successfully, safely and promptly through our experienced, qualified and professional workforces. Our vision is to remain as the best indigenous contracting company, providing innovative, effective and impeccable services to our customers at a great value.

Our strength lies in vast experience, economical pricing and timely execution of all contracts and we maintain a steady workforce of skilled personnel in the field to ensure that all projects proceed safely and swiftly to conclusion.

EGT project teams strive for excellence in each project and over the years, we have completed a large number of civil, mechanical, and electrical jobs and also undertaken various maintenance activities for many industrial and petro-chemical companies in the Eastern Province to the entire satisfaction of our customers and EGT is imparting such services in a professional and safe manner.

By the consistent application of our quality assurance policy and quality and safety management procedures, we aim to satisfy and exceed the expectations of each customer and on every project.

We are committed to provide cost-effective and quality service to all our valued customers. From proper job planning, scheduling, job prioritizing, optimizing, equipments supply to mobilization of manpower, at EGT, we are fully committed to provide comprehensive solutions to all your project requirements.

So, entrust EGT to handle your next project for timely completion at a great value.
